Funny, Rather Amusing, or at Least Interesting Wedding (Couples' Combined) Names

All surnames (last or family names, many foreign) have been verified as real via Internet. Bride's name is first. Although all name combinations are made up, many have actually occurred, some probably, and some in reverse. However, many may not have occurred—or never will. Ones we think are most amusing—i.e., "off the wall" or "less flattering"—are in **bold**.
